SOAL Technologies is a full service staffing and consulting firm with more than 50 years of combined team experience. We are passionate about ensuring your progress.

OUR MISSION

Our mission is to be the most successful staffing solutions company in the markets we serve, by striving to surpass the expectations of customers, partners, and team members.

OUR DIFFERENTIATOR

At SOAL Technologies our passion is to place the right people in the right position. We save you time and money by providing the right candidate for your job the first time. We believe that by personally screening applicants, deeply understanding our clients' needs, and providing benefits to our contractors, we create the best possible match between our staffer and employer.

SERVICES & CAPABILITIES

EMPLOYERS

- Our onsite, three-tiered, in-person recruiting process ensures the right fit the first time
- We provide a human touch, not an algorithm, to identify the right candidates for each job
- We believe that providing benefits (health, dental, vision, matching 401K) to contractors ensures we have the highest quality candidates

JOB SEEKERS

- We spend time understanding your talents, skills, and ideal work goals
- We provide health benefits so you can focus on your career
- We develop long-term relationships with our contractors and clients

BUSINESS CONSULTING

- We've been in your shoes. Our team has more than 50 years of experience planning, developing, and delivering high-quality business solutions for a wide variety of industries
- We are headquartered in one of the nation's fastest growing technology capitals, Austin, Texas
- We are a software security consulting company that provides application development, enterprise solutions, cyber threat solutions and infrastructure services
