PERFECT HIRE, GUARANTEED!

CUSTOMIZED STAFFING SOLUTIONS

Contract, Direct Hire, and Permanent Placement

Can't find the right fit for your team? Looking for candidates with specialized skills? Are your projects continuously growing and expanding? Turn to Soal to find the right solution at the right time.

Contract

In these tough economic times, many companies are looking at contract-to-hire as a way to fill their staffing needs. We work closely with our clients to deliver the best solutions to satisfy their staffing needs in a timely manner. With more than 50 years of combined team experience in planning, developing, and delivering high quality business solutions.

Direct Hire/Permanent Placement

When looking to hire a core team of experts, tap into the recruiting expertise at SOAL. Our professional recruiters screen and interview candidates thoroughly to find the right fit for your team. Direct hire candidates become part of your core team upon hire.

Here are the benefits of selecting SOAL:

- Save time, energy, and financial resources by staying focused on your main task
- Our team of interviewers specialize in screening candidates of varying skill sets and backgrounds
- You only pay a one-time flat fee

Let Us Simplify It

You need a partner who not only understands your needs, but is resourceful, dependable, and agile with instant access to the skills you need. Our aim is to expedite your hiring process, while minimizing the frustrations, allowing you to meet your deadlines in a timely manner.

How We Simplify It

Through a customized Client Needs Assessment, we gain an understanding of your corporate culture, business objectives, department structure, position requirements, and performance criteria. We evaluate every candidate thoroughly to uncover their strengths, weaknesses, and work ethic. We utilize the latest strategies and networking avenues to recruit excellent professionals at varying stages in their career.

We simplify it by providing customized solutions for your specific needs and finding the right fit.
